UNITED PUBLIC EMPLOYEES

500 Word Written Essay

Please write and submit a 500 word essay that address one of the following topics.

- Please describe how overcoming adversity has helped shape who you are as a person?
- What kind of leadership role have you taken in your academic, volunteer, or community service activities?

This essay is very important. While a high grade point average is always desirable, the lessons we learn from helping others can have profound effects on our future success in life. Please take some time to reflect on what you did, what it meant to you and to those you served. Don't hold back. The committee is looking for a measure of your heart and wisdom as well as your academic achievements.

How To Apply

1. Fill out the application form completely. Each person you list as a personal reference must supply a written letter on your behalf and that letter must accompany the application.
2. Be sure to sign the application.
3. Make certain that you have all the requested documentation. The committee receives more applicants than we have available scholarships in a given year. We can not consider your application for a scholarship if documentation is missing.
